Veteran's Honor Celebration

We had the honor of giving special recognition to our Veterans here at Sea View on Veteran's Day. We had a celebration in our Soda Shop and Kathy introduced our "Wall of Honor" which will be displayed on the resident's mail reception walls. We have a

lot of veterans and spouses of veterans at Sea View. Thank you, Stan (on left), for taking charge of the Veteran's Cadre and for your enthusiasm in encouraging our residents to get involved in our local fellowship where they can experience the companionship and comradery of fellow veterans. Thank you also to Mel (on right) for your help and support.

Thank you to all of our Veterans for your service to our country!
