## A Happening Place!

Sea View is a very happening place these days. We now have 113 residents and around 50 staff members, and there is almost always some kind of activity going on somewhere in the building.

*Art Takes A Village* director, Lea Ray, comes in once a month to bring some fun projects for our Crafter's Cove.

Residents stay in shape by walking the hallways, coming to exercise class five mornings a week, working out in our fitness center or dancing. B.J. & Doris dance in the Soda Shop during Happy Hour

which takes place once a week, where residents enjoy social interaction while sipping on a glass of wine, a beer or a soda.

Doyle savors a beer while listening to the Boon Dock Band, Lila Lee & Fran have fun singing along, and Carl dances with his lovely wife, Peggy.

## Meet Bill & Helen Smyth

We would like to introduce you to one of our Brightcreek residents, Helen Smyth, and we want to acknowledge her husband, Bill. Bill and Helen have been married for over 50 years, have resided up the North Bank of the Chetco River and love the great outdoors. Bill is always offering to donate his time to a special project or function and we are grateful for his generosity.

Bill & Helens' son, Ken, was recently here along with daughter, Kelly. They were very friendly, visited with residents and were a pleasure to have around. Kelly played the piano beautifully for our Brightcreek residents while visiting.

Helen loves music and can be found dancing at Brightcreek's "Get Togethers" and when Brightcreek makes their weekly visit to our Soda Shop she is always up dancing to the music on the Jukebox.

One of Helen's favorite performers that we've had here at Sea View is Tony La Torre ("Elvis"). She is always ready to go anywhere and socialize with everyone. "Life is Good!"

## A Note From Our Director Sandy Hicks

We have finally received our reserved parking signs and Rick has done a nice job putting them up. These spaces are reserved for residents who have paid a fee to park here, so please be courteous and do not park in these spaces. If you would like to reserve a space for your car, come and see me and we will take care of it. The spaces are \$25.00 per month and we still have some left. If we could also spread the word to any guest or family members and let them know this is reserved parking for our residents I would appreciate it.

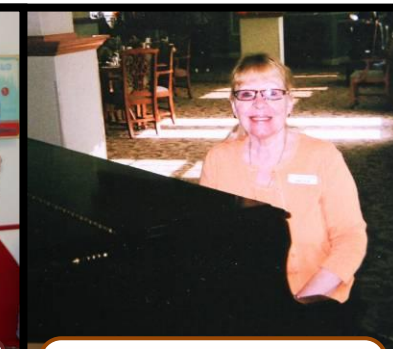

I am also very excited about a new company Sea View has partnered with. The company's name is *U.S. Senior Vets* and they are going to help our Veterans with the process of getting qualified for **Veterans Aid and Attendance**. Christopher Lutzel is our Veteran Advocate and will be instrumental in the process. If you have any questions please talk with Jan or me and we will help get you started.

Thanks, Sandy  
Executive Director

## “ How Can I Live at Sea View Senior Living?”

Sea View has been open for 20 months, almost 2 full years! Through new residents, their friends and family and many people from the community, we have touched hundreds of lives!

When potential residents come to us their questions initially are about what kind of services we provide, and how good the care is. One question that is very important is, “Can I afford to live at Sea View?”

I (Jan) have been assisting residents, families and friends for 12 years, and I have extensive experience with financial assistance.

- \*Veterans Benefits
- \*Medicaid and spend down to Medicaid
- \*Long Term Care Insurance
- \*Reverse Mortgages
- \*Life Insurance Policies
- \*Private Pay Funds; Checking; Savings; Investments, etc.

If you are interested in discussing how affordable Independent, Assisted, and Memory Care Living can be, and how we can help you make a long term plan about your care, please call for an appointment. 541.469.4500

Our Old Hollywood Oscar Dinner night was a fun success. One year pins were handed out and 10 residents received a special Sea View “Oscar”.

It was an honor to have Elmo Williams as a guest, and he brought along one of his own Oscars so we could see and touch the real thing.
